***** A NEW OPTION FOR MARRIAGE PREPARATION *****

The ideal is that the couples be present physically for the marriage prep sessions.

Can an exception be made for couples who face practical problems of separation by distance (e.g. Military) and scheduling conflicts?

Such couples may have recourse to an online Catholic marriage preparation program,
with the permission of their Pastor.

The cost for these prep sessions is \$195.00

This program has imprimatur and is on the official website of the USCCB:
catholicmarriageprepclass.com

Elective (Highly Recommended) – Natural Family Planning Course (NFP)

Couples can use the Natural Family Planning knowledge to achieve, as well as to postpone pregnancy through awareness of natural body signs which indicate fertile and infertile times.

Sympto-Thermal Method

The Sympto-Thermal Method of Natural Family Planning educates a couple in human sexuality and fertility and is based on the observation and interpretation of changes in basal body temperature, cervical mucus and the cervix to determine the fertile and infertile phases of the menstrual cycle. This requires full participation from both partners and both must be completely familiar with the method. Couple participation is one of the strongest benefits and recommendations of the Sympto-Thermal method of NFP.

The program is presented by a trained, experienced married couple in a series of four meetings held once every five weeks for four months. The fee is \$100.00 per couple.

2017 GUIA DE PAREJAS PARA EL MATRIMONIO

<http://diometuchen.org/marriage-prep>

¡Felicidades en su compromiso matrimonial!

El matrimonio es una vocación que implica una relación sagrada y duradera, vivida en el marco de la comunidad eclesial y en el más amplio de la familia humana. Para los cristianos bautizados, el matrimonio es un sacramento del amor de Cristo, expresado de la manera en que la pareja vive día a día, con la gracia de Dios, sus votos matrimoniales.

El Proceso de Preparación Matrimonial

El proceso preparación matrimonial debe comenzar no bien se hayan comprometido, aun si falta más de un año para la fecha de la boda. Normalmente el proceso debe empezar no menos de un año antes de la fecha deseada para el casamiento. Esto les dará un tiempo suficiente para preparar los detalles de la celebración matrimonial.

Primer Paso: Contactar la Parroquia

Contáctese con la Parroquia. Un miembro del plantel parroquial les ayudara para que se reúnan con el ministro pastoral (usualmente, el sacerdote o diácono de la Parroquia). La fecha de la boda no será registrada en el calendario parroquial hasta que haya tenido dicha reunión.

Segundo Paso: Reunión inicial con el sacerdote o diácono

En la primera reunión, el ministro pastoral le explicará el proceso de preparación matrimonial del que ustedes necesitan participar y les proporcionará información sobre los programas que están disponibles. El ministro pastoral empezará a completar los formularios canónicos necesarios y los asesorará sobre qué documentos son indispensables.

El ministro pastoral les puede solicitar que completen un formulario de inventario prematrimonial—el llamado en inglés F.O.C.C.U.S., que les ayudará a identificar los aspectos positivos y las áreas de su relación que necesitan crecimiento, las áreas de acuerdo y desacuerdo que ustedes pueden tener con el otro.

Tercer Paso: Registrarse para una sesión de formación matrimonial

La Parroquia y la Oficina de la Familia le ofrecen diversos programas de preparación matrimonial en inglés y español. Hay sesiones en español de Preparación Matrimonial y clases de Planificación Natural a su disposición. Estas sesiones se esfuerzan por proveerles un tiempo para reflexionar y discutir aspectos importantes del matrimonio con parejas casadas que están plenamente comprometidas en su vocación matrimonial.

Explicación de F.O.C.C.U.S. Inventario Prematrimonial y Las Sesiones de Formación Matrimonial

F.O.C.C.U.S. Inventario Pre-Matrimonial

Facilitando la comprensión abierta de comunicación de la pareja, F.O.C.C.U.S es una herramienta diseñada para ayudar a las parejas a aprender más sobre sí mismos y su relación interpersonal única. El inventario prematrimonial proporciona a cada pareja un perfil personalizado destacando áreas de Fortaleza, así como las áreas que requieren mayor discusión.

Taller de Preparación Matrimonial

Estas sesiones están diseñadas para ayudar a las parejas comprometidas a comprender y abrazar una visión católica del amor matrimonial y en la construcción de un matrimonio feliz. Estas sesiones proporcionan una catequesis completa de las enseñanzas de la iglesia sobre el matrimonio y el regalo de la sexualidad humana basada en la "Teología del Cuerpo" Del Santo Juan Pablo II. Los temas incluyen: Comunicación, Resolución de conflictos, Problemas de origen de familia, Finanzas y Administración.

Curso de Planificación Familiar Natural (Opcional)

Las parejas pueden utilizar el conocimiento de la Planificación Familiar Natural para lograr, así como para posponer el embarazo a través del conocimiento de los signos naturales del cuerpo que indican tiempos fértiles e infértiles.
