

Extraordinary Ministers of the Eucharist—Diagram and Assisting Instructions Weekend Masses

7

All Eucharistic Ministers are required to purify their hands before lining up to receive the Eucharist.

Please walk briskly to and from your Station.

After distributing Communion, please rinse your fingers in the small water bowl on the credence table, dry your hands on a purificator, and sanitize again if desired.

Serving at the 10:30 Mass - Station 3, and 5 should distribute the Eucharist to the Choir first and then proceed to their designated stations.
